

Trans-For-Motion*

*Transforming at hyper pace towards an unknown future.

Talk

Shift your organisational perspective.

As we endure the most remarkable transformation of our time, continuously questioning every aspect of life, we must cultivate deliberate focal points to shift our people and organisations fundamentally.

Learn from research insights that will help you reveal, rethink and reimagine your possible futures and develop the courage to move towards a life free from obscurity.

Takeouts:

- **Understand the neuroscience** behind the emotional blocks we carry and their impact on teamwork.
- **Explore biases** and assumptions leaders hold.
- **Learn how future organisations build** successful teams.
- **Understand why you need to shift** organisational behaviour to achieve future success.

5 Day Masterclass

Reimagine your possible futures and build victory conditions.

Understand what organisational perspectives to shift to be able to rethink and reimagine your possible futures. Then, develop the courage to move towards a life free from obscurity.

This masterclass teaches managers and management teams to develop that perspective by exploring our current mindset, the future of work, shifting consumer needs, unique ways to design plans and methods to build a game plan for future awareness.

Day 1 **Unpack mental blocks**

Understand the neuroscience behind the emotional blocks we carry and leverage the learning to propel teamwork.

Day 2 **Recognise the resilience trap**

Identify the five biases and assumptions leaders hold and learn from them.

Day 3 **Calibrate future strategies**

Build behaviour changing business models.

Day 4 **Build the right frameworks**

Learn from future organisations how to build successful teams and create relentless energy.

Day 5 **Design victory conditions**

What's unmeasured cannot be improved. Develop metrics for failure and success for the roadmap ahead.
